**Registering to take the HESI A2** at USU’s Career Services Testing on the Logan Campus is a two-part process:

One, you must first complete the USU registration portion by going to [www.registerblast.com/usu/exam](http://www.registerblast.com/usu/exam). In the drop-downs, choose “HESI” in the group field and “HESI A-2” in the exam field. Follow the instructions to choose a test date and time and pay the USU portion of the test fee (currently $30).

Two, you must pay the portion of the test fee due to the HESI company, Elsevier. **This will be done on the day of the test.** When you arrive at the test center, you should have with you 1) state or federal photo ID, 2) a mask (while COVID19 rules are still in place), and 3) a debit or credit card to pay the Elsevier test fee. Before you begin the exam, a proctor will assist you in making an Elsevier account (if you haven’t already done so), choosing the correct test for the correct program and campus, and paying the HESI portion of the test fee (currently $53). Make sure you remember your Elsevier username and password.

Scratch paper and pencils will be provided by the test center—do not bring your own. An on-screen calculator is available as part of the test software if you want to use it—once again, you cannot use your own.

If you have any questions in advance, please call Career Services Testing at 435-797-1004 or email at eric.wj@usu.edu.
